CLEAN DIESEL SPECIALISTS FLEET SERVICES

Nationwide Branded Excellence

The CDS Network responds to coverage, compliance, performance and cost-efficient service demands of America's Fleets.

Certified Quality

CDS licensed operations are rigorously screened to confirm their ability to perform at the CDS Brand Standard. CDS Network management works closely with its affiliates to ensure consistent client care and unfaltering nationwide excellence. All filters are serviced by certified technicians using the best equipment and proven restoration processes.

The Cleanest DPF Possible

CDS certified facilities restore diesel filters to "like new" performance. Our cleaning process and technician expertise eliminate unnecessary or premature filter replacement. We restore hard to clean, oil & coolant-soaked filters. Most filters are cleaned and returned within 24 hours, CDS cleaning delivers extended filter life, performance optimized uptime and the financial benefits associated with equipment efficiency, reduced TCO and asset longevity.

Preventive Maintenance

We offer cost effective preventive programs designed to extend filter life and avoid expensive, unplanned downtime.
